

**Jose Lake Improvement Association**

**Membership Application**

Dear Property Owner,

The Jose Lake Improvement Association is always open to new members. This non-profit organization has been in existence for almost 50 years and has helped to make Jose Lake a better place for all of us. The following are just some of the ways that the association makes a difference to our lake:

- stocking of Jose Lake with bass, perch, bluegill and walleye
- maintenance of the boat ramp
- annual clean-up day
- the annual boat parade
- fire protection by the Goodar Township Fire Department
- 14 fish cribs added to different areas in the lake to promote good fishing

Dues are only \$30 per year. Fifteen dollars is for operation costs and \$15 is designated to our fish stocking program. Donations of larger amounts are always welcomed. Please consider this opportunity to be a part of the team to improve the Jose Lake area.
